Despite the rain and very warm temperatures, we have had an amazing start to our school year! The students have done a wonderful job transitioning back into the school routine. I've been very impressed with the leadership that our second grade group is already showing as well as the amount of learning and fun going on in our classrooms. We have several teachers sharing learning pics and videos through Seesaw as well as through their Twitter handles. If you have not linked into these accounts, I encourage you to do so to follow the classroom activities and to stay engaged in our classrooms. You can also follow us on Twitter through our hashtag #plattinrocks and catch all the action and celebrations building-wide! We have a busy September coming up! Please read below for a few reminders as well as important notes on some upcoming dates:

- Just a reminder that our earliest parent drop-off should be at 7:20am. If you require an earlier daily drop-off please talk to Coach Wilson about morning Kids Korner.
- While dropping off your child in the morning, please be sure to pull as far forward as you can to allow everyone into our lot. If our circle lot is closed, due to bus traffic, we ask that you use the far left side of the lane for the lower lot student drop-off which will allow our buses to use the right lane side and continue up the circle drive. Our goal is to keep our students safe and eliminate the back up onto R7 School Road.
- Picture Day is Wednesday, September 5. All students will participate. Photo envelopes were sent home last week and are available in the office.
- We are excited to host our grandparents on September 6-7. Please take the time to RSVP if you haven't already. Our book fair will be open for grandparents to shop if they would like. Please remember that students must have written permission to leave with grandparents.
- We are hosting an information-filled parent night on September 10. Please save the date and look for more information next week!
- PTO Fundraiser Kick-off will be on Wednesday, September 12. The students will come home excited to sell items and earn the incentives. We welcome your participation in the sales or you also have an option to do monetary donations rather than sell items. Remember that PTO money always comes back to the schools and students! They sponsor awesome family events and provide materials, supplies and funds to our schools. Thank you for your participation.
